Welcome!

This free preview contains 5 basic, safe and easy recipes to start making healthy snacks for your cat. For 80 complete recipes (including mycotherapy and medication pockets), buy the full edition at www.valentinadeponti.it

1. Baked Chicken Cubes

Ingredients: 120g chicken breast, 1 egg yolk

Method: Steam the chicken. Mince finely. Mix with yolk. Form 1cm cubes. Oven: 150°C for 20 min.

2. Turkey Shreds

Ingredients: 100g turkey breast

Method: Steam. Shred with fork. Dry in oven at 100°C for 1 hour (crunchy).

3. Salmon Meatballs

Ingredients: 80g fresh salmon, 30g cooked rice

Method: Cook salmon and rice separately. Blend together. Form small meatballs. Steam 10 min.

4. White Fish Bites

Ingredients: 100g cod

Method: Steam. Mince finely. Add chopped parsley (optional). Form bites. Oven 150°C 10 min.

5. Egg Cubes

Ingredients: 2 eggs

Method: Boil eggs. Shell. Mash finely with fork. Add a drop of olive oil. Form compact cubes.
